

## SPARK CHANGE FOR A BETTER KANSAS CITY

A Collaborative Conference for Corporate, Civic, & Community Stakeholders

### 2022 LIVESTREAM KEYNOTE SPEAKER

#### ADAM GRANT

Adam Grant, an organizational psychologist, Wharton professor, and one of *Fortune* magazine's 40 Under 40. He is the *New York Times* bestselling author of *Think Again: The Power of Knowing What You Don't Know* and hosts a chart-topping TED podcast called *WorkLife*. Grant is known for his ability to show others that unlearning to relearn is a necessary skill set in a constantly evolving world, to problem-solve as well as affect positive change.

### 2022 BRANTON/HALL COMMUNITY COLLABORATOR AWARD

#### SANDRA A. J. LAWRENCE

Sandra A. J. Lawrence is being recognized for her dedication, commitment to servant leadership, and making a positive impact in the community through the many organizations she has served in leadership roles. She has a three-decade history as a leader on the boards of some of Kansas City's most well-known, mission-driven and civic organizations.

# MARCH 8, 2022

## C3KC 2022 PROGRAMING

**Panel discussions among thought leaders from the corporate, civic, and community sectors.**

**Climate Change: Effects and Answers in Our Region** – A look at how climate change can disproportionately affect marginalized communities.

**FinTech is Revolutionizing Banking** - Strategies to close the gap for under-banked communities and the positive impact on wealth building.

**Health Equity** - How meeting the basic needs of housing, education, and livable wages can positively affect health outcomes in our community.

**The Mental Health Crisis is Getting Younger** - The impact the COVID-19 pandemic has had on students' learning and mental health; how can Kansas City collaborate to better support students?

**The Future of Neighborhoods** - Innovative approaches to housing and benefits to the whole community when building strong neighborhoods.

**Philanthropy in a Post-COVID World** - Changes in non-restricted donor giving since the COVID-19 pandemic and what it can mean for the stability of non-profits.

**Play to Play** - Play for the sake of play - a design-thinking approach to creativity and innovation.
